

My overview of three programs offered by the Office of the Berkeley Undergraduate Research & Scholarships (OURS) as an [OURS peer advisor](#).

[Undergraduate Research Apprentice Program \(URAP\)](#)

- Eligibility: all undergraduates, all majors
- Application: 450-word statement of interest
- Opportunity: collaborate with mentor on an existing project
- Credit: 0-4 units
- Commitment: Fall or Spring semester
- Deadline: second week of classes of each semester

[Summer Undergraduate Research Fellowships \(SURF\)](#)

- Eligibility: junior and graduating senior, all L&S majors, all STEM majors
- Application: research proposal, faculty sponsorship
- Opportunity: full-time independent research, seminars and workshops, present at SURF conference, prepares for senior honors thesis
- Credit: \$5000 stipend
- Commitment: 8-weeks Summer
- Deadline: mid-February.

[Haas Scholars Program](#)

- Eligibility: junior and graduating senior, all majors, evidence of financial need
- Application: research proposal, budget proposal, faculty sponsor
- Opportunity: independent research, close mentoring from faculty, seminars and workshops, present at professional conference, prepares for senior honors thesis
- Credit: up to \$14,800 financial support
- Commitment: Summer, Fall, Spring semesters
- Deadline: mid-February

Note. Check out this helpful resource [Underrepresented Researchers of Color \(UROC\)](#)!

Note. Check out this non-OURS research program [BIDS Discovery Program](#)!

For the entire up-to-date list of programs and resources, see the [OURS website](#).

1 Join us at OURS!

Consider becoming an OURS peer advisor if you have participated in 2+ semesters of URAP or any other of our programs.

Sign up for the [mailing list](#) or contact Stefanie Ebeling [urap@berkeley.edu] for more information.

Applications are due around the end of spring to early June.

Panel interviews are held in July . Hope to see you there!
